

One app to run **your whole business**

QTT OS brings your team, your sales and stock, your designs, and your website, WhatsApp and marketing together — on your phone, in Tamil, Hindi, Arabic and English.

Office Pulse

Orbitra

QTT Studio

QTT Business Suite

THE APPS

Run your business

Each app has its own plan — start with one, add more any time.

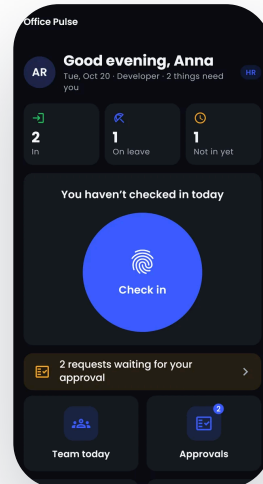

YOUR TEAM

Office Pulse

Attendance with GPS check-in, leave, expenses and payroll for your team.

- Attendance with GPS check-in
- Leave requests and approvals
- Expenses and claims
- Payroll and payslips
- Holiday calendar for your team

Office Pulse Starter ₹499/month · Office Pulse Standard ₹1,499/month · Office Pulse Business ₹2,999/month

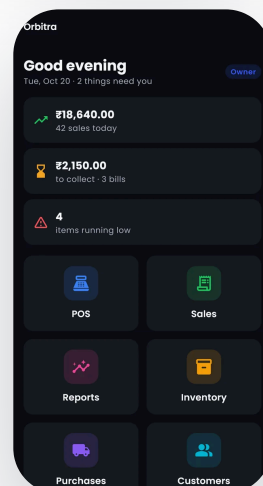

YOUR SHOP AND ACCOUNTS

Orbitra ERP

Your business ERP on the phone: billing and POS, stock, purchases, accounts and GST — simple.

- Bills and POS on your phone
- Stock and low-stock alerts
- Purchases and suppliers
- Accounts and GST reports
- More than one store or branch

Orbitra ERP Starter ₹499/month · Orbitra ERP Standard ₹1,499/month · Orbitra ERP Business ₹2,999/month

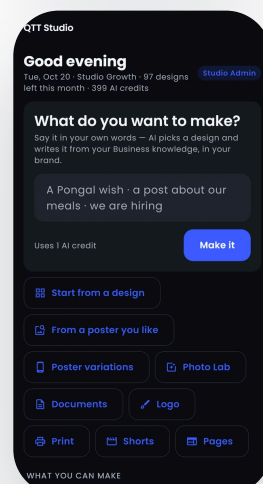

YOUR DESIGNS

QTT Studio

Make anything your business needs with AI: posts, documents, logos, flyers, photos, Shorts and pages — in your brand, saved to one library every app uses.

Studio Starter ₹499/month · Studio Growth ₹999/month · Studio Pro ₹1,999/month

Prices in Indian rupees from QTT's live price list; the app always shows the current price.

QTT BUSINESS SUITE — LIVE IN MINUTES

We build it, host it and look after it

Choose a service in the app; QTT sets it up and it goes live as soon as you approve it.

Website Development

A professional website — landing page, 3 or 5 pages — built, hosted and looked after.

Landing page ₹499/mo · 3 pages ₹699/mo · 5 pages ₹999/mo

From ₹499 a month + one-time setup

Managed E-Commerce Websites

An online store with UPI and card payments, delivery and your products.

Starter ₹1,499/mo · Growth ₹2,999/mo · Pro ₹5,999/mo

From ₹1,499 a month + one-time setup

AI & WhatsApp Automation

Your own WhatsApp number, an AI receptionist and one shared inbox for your team.

Starter ₹999/mo · Growth ₹2,499/mo · Pro ₹4,999/mo

From ₹999 a month + one-time setup

Marketing assistant

Posts every week, festival wishes, articles and newsletters — you approve, it posts.

Starter ₹999/mo · Growth ₹1,999/mo · Pro ₹2,999/mo

From ₹999 a month

GET STARTED

How to start

- 1 Open **queentouchtech.in/app/** or get the QTT OS app, and sign up with your phone or email.
- 2 Tap **Help me choose** — tell us your goals and see what fits your business.
- 3 Apps start at once with a free trial; each Business Suite service asks for your address, design and details.
- 4 QTT sets it up and keeps you updated — you approve, it goes live.
