Onbox — the team inbox

No separate price: it comes with AI & WhatsApp Automation and the website and store services below.

QTT Business Suite — live in minutes

We build it, host it and look after it. You manage it from the QTT OS app.

QTT Business Suite itself is free. You pay only for the services you choose: a monthly price, plus a one-time setup where shown.

Website Development

A professional website for your business — a landing page, 3 pages or 5 pages — designed, hosted, secured and looked after by QTT. You change it all from the QTT OS app.

In every plan: Ready designs for your kind of business · Your logo, colours, words and photos — change them in the app · Enquiry form and WhatsApp button · Website chat — answer visitors live from the team inbox in the QTT OS app · Hosting, SSL and nightly backups · Updates and technical support

Landing page

₹499/month

+ ₹2,999 one-time setup

- ✓ One page for a campaign or offer, with an enquiry form.

3 pages

₹699/month

+ ₹4,999 one-time setup

- ✓ Home, what you offer and Contact — a complete small business website.

5 pages

₹999/month

+ ₹7,999 one-time setup

- ✓ Home, About, what you offer, Gallery and Contact.

Add-on	Monthly	One-time
Business email	₹149/month	—
Google Business profile	—	₹999
Care plan	₹299/month	—
3 more pages	₹299/month	—
Move my existing website	—	₹2,999

Managed E-Commerce Websites

We create, host, secure and manage your online store — in three plans by the size of your shop. You run it all from the QTT OS app.

In every plan: Online store (WooCommerce) on QTT's servers · Products, orders and stock in the app · Store chat — answer shoppers live from the team inbox in the QTT OS app · SSL, updates, nightly backups and security · Payment gateway fees and paid add-ons are not included

Starter

₹1,499/month

+ ₹4,999 one-time setup

- ✓ Up to 50 products, hosting, SSL and backups.

Growth

₹2,999/month

+ ₹4,999 one-time setup

- ✓ Up to 500 products, online payments, shipping, backups and support.

Pro

₹5,999/month

+ ₹4,999 one-time setup

- ✓ Unlimited products, marketing integrations and priority support.

Add-on	Monthly	One-time

Business email	₹149/month	—
Google Business profile	—	₹999
Delivery partner setup	—	₹999
Move my existing store	—	₹4,999
Care plan	₹499/month	—

AI & WhatsApp Automation

An AI receptionist on your WhatsApp plus the automations you choose — daily reports, payment reminders, staff check-ins, lead follow-up and more. Set up and run by QTT.

In every plan: WhatsApp AI receptionist on your own number, in your customers' language · Team inbox in the QTT OS app — your team answers WhatsApp chats together · Choose your automations in the app · Set up and looked after by QTT

Starter

₹999/month

+ ₹1,999 one-time setup

- ✓ The WhatsApp AI receptionist + any 3 automations you choose.

Growth

₹2,499/month

+ ₹1,999 one-time setup

- ✓ The WhatsApp AI receptionist + any 8 automations you choose.

Pro

₹4,999/month

+ ₹1,999 one-time setup

- ✓ The WhatsApp AI receptionist + every automation.

Marketing assistant

Posts for your Facebook, Instagram and other pages written for you every week — you approve, QTT posts them. Three packages.

In every plan: New post ideas every week, in your language · Festival offers · Posted to Facebook, Instagram, LinkedIn and more · Post now or at a time you pick · You approve everything

Starter

₹999/month

No setup fee

- ✓ Posts on 2 pages, 3 new post ideas a week.

Growth

₹1,999/month

No setup fee

- ✓ Posts on 5 pages, 5 post ideas a week and festival offers.

Pro

₹2,999/month

No setup fee

- ✓ Posts on 10 pages, 7 post ideas a week and festival offers.
